Nuts & Bolts

All vehicles must have soft tires or street treads and must be self-propelled. If you have passengers (especially children) on your tractor, truck or float, please ensure safety features as well as adult monitors on or walking beside the vehicle to supervise your passengers. **Also for safety, the Police Department asks that nothing (like candy) is thrown from the float that would cause kids to dart into the street – VERY IMPORTANT!!** By the deadline of November 19th, we'll need to know your theme and a brief description of your entry for the announcer. Tell us what's special about your entry – family members, kids' names, unique features of your tractor such as year and model.

Theme_(i.e. "Santa's Coming to Town") _____
