SALES TAX RULES AND REGULATIIONS
RESALE CERTIFICATES

To our customers:

In compliance with Sales and Use Tax Laws it is necessary that we have from all our customers a signed California Resale Certificate, with their State Sales Tax Permit Number, to show that the merchandise has been purchased for resale.

The good faith of the seller will be questioned if he has knowledge of facts which give rise to a reasonable inference that the purchaser does not intend to resell the property as, for example, knowledge that a purchaser of particular merchandise is not engaged in the business of selling that kind of merchandise.

Under "Description of Property to be Purchased" there may appear one of the following:

(1) Either an itemized list of the particular property to be purchased for resale, or
(2) A general description of the kind of property to be purchased for resale.   Such Certificate is good until revoked in writing.

Please insert your new State Sales Tax Permit Number, with your signature and address on the attached California Resale Certificate and return it to us at once.
