

**Welcome to Napa Bike.** Our mission is simple: *we work for your ride.* We want your ride to be safe, smooth (as in surface), and incident-free (trouble free). Napa Bike is committed to: **Advocacy | Education | Safety | Non-motorized transportation** | and the **Community**.

*We encourage you to get involved – from supporting one of our events, or to just sporting one of our new T-shirts or caps (coming soon) – spreading the message is key towards our long-term growth and sustainability.*

## Our Goals

- Build community support for safe bicycling and walking projects by obtaining investments from government, public and private investments.
- Diligently advocate for safe bicycle and walking facilities throughout the county so that Napa County and its cities are recognized as “Bicycle Friendly Communities”.
- Partner with the Vine Trail Coalition to advance the completion of the Vine Trail as the safe riding 'spine' that will connect all towns in the County.
- Expand the “Share the Road” campaign so that cyclists show respect for the rules and motorists respect the right of cyclists to share the road.
- Become the voice of the community for all things bicycle related in Napa County.
- Become self-sustaining to ensure safe biking and walking is maintained as a community-building value.
