### 3. Ca' Momi Winery

610 First Street, Napa – in the Oxbow Public Market  
707.257.4992

Obsessively Passionate Wines and Obsessively Authentic Italian Cuisine.

Ca' Momi Wines are named for our family home in Northern Italy. The name also pays tribute to Momi dea Bionda, the previous owner who was famous for his obsession with the house, his grapes and his wine. When we came to America, we knew we wanted to make wine here, and to capture some of the spirit of our family traditions. Of course, we are just a little bit obsessive about our wines, too! We want them to be fresh, fruity, and full of life. They are wines to be enjoyed.

In Italy, food and wine are a part of life, and one needs the other one, so we decided to open an Enoteca to showcase our wines and passion. An Enoteca is a place to taste and buy wines, and grab a quick bite. "We want this Enoteca to bring the real Italy straight to Napa," says winemaker and pizza maker Dario De Conti.

Experience la Dolce Vita for yourself! Authentic VPN certified pizza Napoletana, wholesome soups, fresh salads, wood-fired Panini, wonderful Italian pastries, and a staff that loves to see you happy. Buonissimo!

#### Complimentary Tasting Experience

We welcome Pawsport guests to take a seat at our Enoteca and taste our exclusive 2009 Cabernet Sauvignon Reserve and 2011 Chardonnay, paired with our Antipasto Piccolo small Italian appetizer featuring chef's choice of cured meats and cheese.

#### Discount on Wine Purchases

Ca' Momi's special offer to Pawsport holders is 15% off any wine case purchase.

#### Special Element

Guests will receive a handmade cork magnet to remind them of their experience at Ca' Momi.

#### Win It!

Leave your information during your visit and be entered to win an award-winning Double Gold Rosso di Napa.

### 4. Chateau Boswell

3468 Silverado Trail North, St. Helena  
707.963.5472 x 2 – *By appointment only*

In 1979 R. Thornton Boswell founded Chateau Boswell and under the direction of André Tchelistcheff began producing Napa Valley Cabernet Sauvignon. In 1997 Susan and RT Boswell planted the estate hillside vineyard in virgin soils that continue to be maintained organically. The Chateau Boswell caves, 65 feet below the estate hillside vineyard, were designed by Susan to green building specifications with the desire to continue to be responsible stewards of the land, reducing the impact upon the environment through green business practices which reduce energy and water use. As the first certified Napa Green Winery, Chateau Boswell continues to preserve and protect the Napa Valley through their practices and through their active participation in support of sustainable initiatives.

Chateau Boswell Winery has produced small-lot handcrafted wines for over 30 years. Their wines are an expression of the continuing desire to showcase the unique characteristics of each vineyard source through old-world, low-intervention winemaking techniques.

#### Complimentary Tasting Experience

Chateau Boswell welcomes you to a private visit of our caves 65 feet below the earth, beginning with a seated tasting in our dome room followed by a tour of our caves complete with a little geographical history of the Napa Valley exhibited by the natural exposed strata of the cave walls.

Discussion on green practices as Chateau Boswell was the first winery to be certified as a Green Winery and, as always, we love to talk about our viticulture practices and our wine production process.

#### Special Element

10% of all wine sales made to Pawsport holders will be donated to Napa Humane in honor of doggies everywhere and our dear Goldens of past and present.

## 18. Trefethen Family Vineyards

1160 Oak Knoll Avenue, Napa  
866.895.7696

In 1968, Eugene and Catherine Trefethen purchased seven farms surrounding a magnificent, but run-down, 19th-century winery in southern Napa Valley and created Trefethen Family Vineyards. The couple's intention was to sell all their grapes, but their son John had other ideas. In 1973, aided by his new bride Janet, John produced Trefethen Vineyards' first commercial wine. True to the family's vision of creating an acclaimed wine estate, they have never purchased outside grapes and are leaders in sustainable winegrowing. Today, the Trefethen family's third generation, Loren and Hailey, assist their parents in continuing the family tradition of passion for the land, its people and the art of crafting exceptional Napa Valley wines.

One of Napa's classic wine estates, Trefethen is still a hidden gem. Easy to find, but only if you're looking, our entry is on Oak Knoll Avenue, tucked away from the crowds of Highway 29. Designated a National Historic Landmark, our 19th-century redwood winery is still a working cellar, and along with our gracious staff it provides a warm, comfortable environment in which to sample our distinctive, award-winning wines. We look forward to welcoming you.
