

## Community Emergency Response Training Basic Class 88 – November 2017 Napa

If we had a major earthquake right now would you know what to do? Would you know how to provide first aid to a loved one, rescue someone, or get drinking water? Are you ready to have your life disrupted and not **have** any help for 24 to 72 hours?

As recent disasters and emergencies have demonstrated there will not be enough emergency responders to help everyone in a timely manner. You have to be able to take care of yourself and family. As a community, we will need to rely on each other for our immediate lifesaving and life sustaining needs. **The**

***Napa Valley communities may be without enough emergency help for several days!***

Community Emergency Response Training is a nationally recognized emergency training course that teaches essential emergency response skills. By taking and completing the CERT course you will gain the skills and confidence necessary to help yourself, your family and your community during a disaster.

The training is available free of charge to anyone living in Napa County. To complete the course, you must attend all three sessions.
