HERE'S HOW IT WORKS:

- To begin, walk or take the free Downtown Trolley to any of the ten tasting rooms shown on the map, and present your card. *(Tasting room hours are listed on the back panel.)*
- With the Napa Downtown wine tasting card, your initial tasting is only 10-cents at each tasting room.
- Be sure to ask each tasting room about additional discounts and special available with this card.

Have dinner at any of nine restaurants with a bottle of wine from one of the participating tasting rooms, and the corkage fee is on us. Just show your waiter the seal on the bottle you've purchased, along with your Taste Downtown Napa card, and enjoy!

Use the Taste of Napa Downtown card when you make your next reservation at any of the twelve downtown area B&Bs, and receive a free gift.
