# About "Cause for the Paws" Sponsoring Event Chair, "Chairman Chow" Groth

Denise Arragon welcomed me into the world on October 14, 2008. She worked at Twin Oak Veterinary Clinic in St. Helena where the Groth's have taken their animals since 1981.

I met Mrs. Groth briefly, but she said that all of her pugs are fawn in color and didn't take me home. Then, on Christmas Eve, Dr. Glenn Baker decided that I was the perfect Christmas gift for the Groth's. So I joined China Moon, 16, Frank Fat 15, and my distant cousin Chou Mei Mei and had a great holiday.

I started work at Groth Vineyards and Winery in January. At first I sat under the desk and visited with the office staff, including my best friend, Gayle (she is the one with the dog biscuits on her desk). Gradually my duties increased and I began greeting guests and leading tours of the winery and the insectary. The Groths are very big on bugs.

One day Napa Humane's Executive Director, Jane Albert, and President, Clay Gregory, visited us to tell us about the great fund raiser for Napa Humane, "Cause for the Paws." I have not needed this organization, but know that many do need help. So I said, "Pick me!" and started planning the party. Mei Mei and I take our Public Relations job seriously, you know.

**Napa Humane thanks "Chairman Chow" Groth  
and his people, The Groth Family, for their incredible  
generosity and support of "Cause for the Paws!"**

## WELCOME TO “CAUSE FOR THE PAWS” 2009!

We are delighted that you’ve joined us for another fun-filled afternoon under the beautiful canopy of oaks in The Grove at Silverado Resort. We promise a memorable day of exceptional cuisine, fine wines, exciting events, and wonderful entertainment.

We thank the extraordinary Napa Humane volunteers and staff members who make the “Cause for the Paws” possible, and express our considerable appreciation to the generous donors of today’s auction items – as well as those beverage and culinary participants who are showing their support by sharing their wonderful fare with you today.

These contributions allow all the funds we raise to go directly to help the companion animals in our community with the programs and services of Napa Humane’s Spay/Neuter Clinic. We serve thousands of animals each year and can do so only with the generosity of our partners, donors, and patrons.

Your winning bids, purchases at our Napa Humane Marketplace, participation in our Premium Drawing, and by raising your paddle high during the “Fund-a-Need” will help us make the difference...saving lives through spay/neuter, prevent suffering by preventing disease with core vaccination clinics, and, with affordable microchipping services, helping beloved pets swiftly find their way home.

So please have fun today, and enjoy the memory making of standing together with your friends and neighbors in support of Napa Humane – and remember those that depend on us to care for them, to protect them, and to advocate on their behalf...today is for the animals.

Cheers!

Clay Gregory – *President*

Jane Albert – *Executive Director*

# AUCTION GUIDELINES

## Silent, Live Auction and “Buy It Now” Guidelines

**Thank you for supporting “Cause for the Paws!” Please familiarize yourself with these guidelines before bidding at today’s auction.**

- Only minimum bid amounts or greater will be accepted. Please respect the bid increments indicated.
- All wines for the Silent and Live Auctions will be stored in a temperature controlled area inside Silverado Resort. In lieu of the actual wines, photos and descriptions of each wine item will be displayed and winning bidders will pick up their wine items after the event.
- Silent Auction tables will close in sequential order. All closing times are indicated on the table signs. Auction officials will pre-announce the closing of each table.
- Silent Auction volunteers will circle the winning bid on each item as each table closes. No additional bids will be accepted on items once the table is closed.
- Live Auction items will be closed individually by the auctioneer. No additional bids will be accepted once the item is closed. Auction recorders will confirm each Live Auction winning bid.
- Any disputes will be resolved by a “Cause for the Paws” Auction official. All decisions made by the Auction officials are final.
- “Cause for the Paws” accepts cash, MasterCard, VISA , or personal checks as payment.
- Please reconcile your purchases before you leave the event today.
- Shipping is the responsibility of the successful bidder.
- Napa Humane is grateful for the generosity of our donors and the wide variety of donations received for today’s event. Our inclusion of these items in our event, however, does not imply an endorsement of any products or services offered.
- In appreciation of their efforts, event volunteers (excluding on-duty Auction volunteers) are permitted to bid on Silent and Live Auction items.
- All items available on the “Buy It Now” program are marked with a special “Buy It Now” price.
- If you see a specially marked “Buy It Now” Silent Auction item that you absolutely **MUST** have, then forgo the bidding frenzy and “Buy It Now!” Ask the auction table attendant for assistance. Once your purchase is complete, a volunteer will help you procure your items.

Thank you for your support of “Cause for the Paws” and Napa Humane!

#### A Pride Mountain Vineyards Experience

Pride Mountain Vineyards is a renowned 235-acre, family-owned estate straddling California's two greatest winegrowing regions: Napa Valley and Sonoma. Add this 3L etched and hand-painted bottle of Pride Mountain Vineyards 2006 Merlot to your collection, and enjoy a private vineyard walk, cave tour, and barrel tasting for four adults at the winery.

The 2006 vintage produced wines of generous richness and expressive aromatics, and this Merlot is no exception: red cherry, raspberry, cocoa and tar notes in the nose frame a broad wine with plenty of stuffing. A wine for Cabernet lovers and wine collectors, the Pride Mountain Vineyards Merlot is no wine to underestimate, and will continue to evolve over ten to twelve years in the bottle.

Your visit to Pride Mountain Vineyards is one to remember - the twisting twenty-minute drive west from St. Helena, or east from Santa Rosa, will reward you with a stunning view of rugged Mount St. Helena to the northeast and verdant vineyards rising skyward in all directions.

#### A Toast to “Chow Fun”

Our generous 2009 “Cause for the Paws” Sponsoring Event Chairs, The Groth Family, have created this very special and personal auction lot to honor one of their beloved pugs, “Chow Fun.”

This 6L of 2005 Groth Reserve Cabernet Sauvignon, Oakville, Napa Valley is etched with the image of “Chow Fun” which was lovingly painted by his owner, Suzanne Groth.

His story is forever intertwined with that of Suzanne’s daughter, Genevieve: on the day that Genevieve came into the world, “Chow Fun” departed, the result of a heart tumor. Suzanne created the painting, the only portrait she has ever painted, as both a tribute to beloved “Chow Fun” and a remembrance for Genevieve. Although “Chow Fun” and Genevieve never met, their lives will always be connected in Suzanne’s heart.

### Three Treasures...

Renowned artist, Gordon Huether, offers you a once-in-a-lifetime experience: a “hands-on” glass-making session for eight guests! Gordon will guide your group in applying different types of glass to a “blank” tile. After the work is done the glass will be put into a kiln and fired at 1,200 degrees to create a treasure you will value for a lifetime.

Gordon has mastered the challenge of creating art in a multitude of environments and mediums. The scale of his work ranges from large architectural installations for public commissions, to small, intimate works of art for private collections and residences. You will meet Gordon at his studio – a 15,000-square-foot facility, originally built by the Bishop Family in the 1980’s for use as a hay barn and later as a feed store, which has recently undergone a 1.5 million dollar renovation. The new facility houses Gordon’s art studio, fabrication facilities, administrative offices and the Hay Barn Gallery, featuring a revolving exhibition of his fine art, as well as exhibiting the works of selected guest artists.

After a morning of unleashing your creative side, Gordon will join you as you move to a higher plateau at Antica Napa Valley. You and your guests will have an opportunity to see firsthand why the Antinori Family of Florence, Italy chose Napa Valley as the location to continue their wine making tradition that has lasted for more than 26 generations.

Glenn Salva, Antica Napa Valley Estate Director, will help you explore this 1,200 acre property, nestled in the eastern hills of Napa Valley. He will share with you the pride and passion the Antinori Family has for their newest wine estate. You will sip Antica Chardonnay and Cabernet Sauvignon wines as you enjoy a meal of excess which is inspired by the wonderful cuisine served at the world-renowned Cantinetta Antinori. In addition to your visit, you will also take away four bottles of Antica’s Chardonnay and Cabernet so you can revisit your new treasured memories one sip at a time.

And, the third treasure is for your cellar...an etched, signed, 3L 1990 Livingston Moffett Vineyard Cabernet Sauvignon in a custom wooden box.

Aromas of ripe berries are accented with hints of mint and the spices of bay leaves and ginger. This wine has intense, fresh blackberry and chocolate flavors that are reinforced by well-seasoned, toasted oak barrels. This rare bottle has been cellared under excellent conditions since release. Cheers!

*Hay Barn tour and glass- making experience with Gordon Huether and lunch at Antica Napa Valley scheduled by mutually agreeable dates. Expires July 19, 2010.*

**Donors:** Antica Napa Valley, Jim and Linda Cantrell, and Gordon Huether

#### History in a Bottle – a BIG Bottle...

From 1981, former Beringer winemaker, Ed Sbragia, created the Private Reserve Cabernet Sauvignon by combining wines from a handful of selected vineyards for a complex flavor profile that layers the fruits of each vineyard's unique soils and climate.

After fermenting the wines to dryness, pumping them over gently each day for optimal extraction of flavor, Ed hand-selected new French Nevers oak barrels for each lot. The wines were barrel-aged for 21 months before Ed made the final selection.

The 1994 vintage combined the wines from these vineyards, which had been separately vinted and aged, to enhance their individual characteristics. The two Howell Mountain wines both contributed rich tannins. Concentrated flavors of ripe cherries and black currants were a result of Bancroft Ranch, and the more berry-dominated, earthy notes, came from the Tre Colline Vineyard. The fruit from Chabot Cabernet added its distinctive notes of mint and cedar, and the St. Helena Home Cabernet contributed the soft, round cherry/berry flavors. The touch of Cabernet Franc, Ed explained, "had rich aromas and flavors of blueberries and black fruit, but also added length to the finish, which seems to go on forever in this wine."

Add this 6L Beringer 1994 Napa Valley Private Reserve Cabernet Sauvignon to your collection – and raise a glass to a world-class winemaker!
