Help celebrate VHI's 25th anniversary!

Our mission is to improve the vision health of medically underserved people in developing countries by providing free-of-charge professional surgical, medical, and educational services at the invitation of the host country. VHI's work is made possible entirely by your contributions and the numerous volunteer staff of doctors, technicians, and translators. All donations benefit those that need your assistance. Imagine giving someone the gift of sight! For more information, please visit visionhealth.org or call 877.869.2981.
